- Self-rescue techniques with a smoke hood from areas where visibility is obscured due to smoke
- Small group escape techniques with a smoke hood from areas where visibility is obscured due to smoke

TFOET - Joining Instructions

Physical / Health Demands:

Emergency response training contains physically demanding and potentially stressful elements. All personnel who participate in such training must be medically fit and capable of participating fully. All personnel will be required to complete a self-declaration of fitness form prior to commencement of practical.

Start / Finish Times:

Training courses will begin at 7:30 am and should conclude by 4:30 pm; it is recommended that delegates arrive at 7:00 am.

Equipment Requirements:

Delegates are expected to provide the following items during training:

- Government Issued Photo Identification – **Required**
- Towel
- Swimwear
- Appropriate clothing for all practical sessions
 - Open toe shoes, shorts, and sleeveless shirts are prohibited
- Safety-Toe footwear for practical sessions

Meals / Refreshments:

Delegates will be provided with a 1 hour lunch break with meals provided at client's expense. Coffee and water will be available free of charge. Periodic breaks will be offered to delegate's during training.

Course Delivery and Special Needs:

All course materials, assessments, and documentation will be conducted in American English language only. Delegates with any special needs should contact us in advance to ensure that these requirements are met.

Assessments:

Delegates are assessed against industry agreed competency standards. Should delegates fail to meet these standards, our staff shall provide additional coaching to provide the delegate with additional opportunities to meet the requirements.

Certification:

Successful delegates shall receive a Certificate and Identification Card with a copy of the certificate sent to the employer. The delegate's successful completion will also be recorded in a central training register maintained by OPITO.
